

HOW TO REGISTER FOR 2022-23 WINTER FREESTYLE SESSIONS AND REGISTRATION FORM

PLEASE NOTE: Pre-registration will be required for all ice sessions (including the Learn-to-Skate Program). Absolutely NO registration or membership forms will be accepted at the rink.

The skating club's 21-week winter season will begin on Monday, November 7, and end on Wednesday, March 29. The increase in the ice session fees is due entirely to more weeks in the winter season as compared to the Fall season. There has been no rate increase – just additional skating weeks.

The winter registration for freestyle sessions will be split into two separate payment periods. With this November registration form you will pay for the first 10 weeks of the winter season. In January, you will not need to re-register. You will simply receive an invoice for the remaining 11-weeks of the winter season. There will be some consideration given for revisions or changes. New skaters will be accepted into both sessions. **This registration change does NOT apply to the Learn-to-Skate program. LTS skaters will need to re-register in January.**

Session # 1 (10-weeks) Registration Deadline is Friday, November 4

Freestyle sessions begin on Monday, November 7, and continue through Wednesday, January 11.

The Learn-to-Skate program will begin on Sunday, November 13, and continue through Sunday, January 8.

There will be no skating on Wednesday, November 23, Sunday, December 25, Monday, December 26, Sunday, January 1.

Session # 2 (11 weeks)

All sessions, including the Learn-to-Skate program, will begin on Sunday, January 15, and continue through Wednesday, March 29. There will be no skating on Sunday, March 26, which is the date of the ice show.

SCA Ice Show

The SC of Amherst ice show is scheduled for Sunday, March 26. Dress Rehearsal will be on Saturday, March 25. Skaters who commit to the show will need some availability for the March 25 dress rehearsal and full availability for the March 26 ice show. Further details and show registration forms will be available in the coming weeks.

ICE SHOW REQUIREMENTS: All soloists must register for a minimum of three freestyle sessions on two days per week. The 80-minute Monday 7 pm session can be counted as two sessions toward meeting this three-ice session requirement. Trio/duo skaters must register for a minimum of two freestyle sessions on two days per week to remain eligible for their feature in the ice show. The Learn-to-Skate program and the Wednesday 6-6:30 pm session do not count toward meeting these ice requirements. Registration for both the November and mid-January winter sessions will also be a requirement for the ice show.
