GENERAL PROGRAM INFORMATION

NEW! On Wednesdays from 6:00-6:30 pm the club will offer a practice ice session exclusively for those Learn-to-Skate skaters and adults Basic 3 and above. This session will provide skaters an additional opportunity to practice the skills they are learning in the Sunday Learn-to-Skate program. The fee for this session DOES NOT include a lesson; however, if interested in a lesson, a private lesson can be arranged at an additional cost. Eligible skaters interested in registering for this Wednesday session can request the ice form by emailing SCofAmherst@gmail.com

A club membership form has been included in the mailing to those skaters who have not renewed their club membership since July 2022. The membership fee is a required annual fee and will remain in effect through June 2023. If you received a membership form, please print it out and include the appropriate fee on the ice registration form.

The registration information is attached to your email. After looking over the information, if you decide to register your skater(s) for this program, please print out and complete a separate registration form for each skater and, if necessary, one membership form. Checks or money orders should be made payable to the SC of Amherst. Do not mail cash. If paying with cash, please contact us to arrange for payment.

Registration deadline is Friday, September 9, or until the program is fully subscribed. I am advising you to register early -- the demand for this program is overwhelming and registration is on a first-come, first-served basis. No one, current members or new members, are guaranteed a spot. Registrations received after September 9 will be accepted if space allows and with a later starting date. There will be a \$20 late fee.
