

## REGISTRATION INFORMATION FOR 2023-24 WINTER FREESTYLE SESSIONS

**PLEASE NOTE: Pre-registration will be required for all ice sessions (including the Learn-to-Skate Program). Absolutely NO registration or membership forms will be accepted at the rink.**

The skating club's 21-week winter season will begin on Sunday, November 12, and end on Wednesday, April 3. Any increase in ice session fees is due entirely to the additional weeks in the winter season as compared to the Fall season.

The winter registration for freestyle sessions will be split into two separate payment periods. With this November registration form you will pay for the first 10 weeks of the winter season. In January, you will not need to re-register. In January you will receive an invoice for the remaining 11-weeks of the winter season. There will be some consideration given for revisions or changes. New skaters will be accepted into both sessions. **This registration change does NOT apply to the Learn-to-Skate program. LTS skaters will need to re-register in January.**
